In accordance with section 61G of the 1990 Town and Country Planning Act and Section 5C of the 2012 Neighbourhood Planning (General) Regulations 2012, only a town or parish council is able to act as the lead body for neighbourhood planning within Cotswold District. Where a proposed area includes part or whole of a neighbouring parish or parishes, the parish council can only act as lead for the neighbourhood area where the neighbouring parish council(s) have given their consent.

6. Please complete the following to enable us to publicise your proposal appropriately.

The boxes below will automatically expand as you type or paste in text.

6.1 (i) Please provide a short statement, setting out the background to your submission: how this proposal has come about, and what it is trying to achieve.

(ii) Please provide an explanation of why you have chosen to develop a Neighbourhood Plan, Neighbourhood Development Order or Community Right to Build.

Note: This information will help us publicise your proposal, and respond to enquiries from the wider community about your intentions.

Whilst in general conformity with the Cotswold District Council Local Plan we aim to conserve our beautiful environment and heritage.

We aim to address the current and future needs of the whole parish over the next 20 years.

It will enable us to protect green spaces which are enjoyed by the community and would harm the environment if built upon.

6.2 (i) Please provide a short statement on why the boundary described by this submission and the accompanying map is appropriate.

(ii) What has informed and been taken into account in reaching a decision on the proposed boundary?

Note: Please consider whether existing parish boundaries are appropriate for a Neighbourhood Plan, given the location of key facilities and possible development sites. Have you discussed your plans with neighbouring parishes?

Our initial assessment is that it is likely that our proposals can be contained within the parish boundary.

We have not discussed our plans with neighbouring parishes.

The settlement of Kemble provides many essential services for the much smaller settlements of Ewen and Kemble Wick. These smaller settlements are within the parish boundary.

6.3 Please provide a short statement on how your proposal will fit with any other plans prepared by your community.

Note: Is your intention to replace or supplement existing plans such as Community or parish plans, village design statements etc?

The Neighbourhood Plan will seek to update the Parish Plan of 2006 and address any issues identified.

Informative:

While Neighbourhood Planning is designed to empower communities, and to enable them to develop policies and proposals they deem locally appropriate, Neighbourhood Plans need to be in general conformity with the Local Plan and national planning guidance.
