Immigration Act 2016

As from 6 April 2017, you are required to provide documentation to prove entitlement to work/immigration status. This is done by providing with your application copies or scanned copies of documents which demonstrate your right to work (see [Annex A](#)) within the UK. These documents do not need to be certified.

A personal licence may not be held by an individual who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any personal licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

What happens next?

When we receive your application we will send you an acknowledgement letter that will confirm if your application is complete or whether you need to provide more information. Providing that the application is complete and that you have not been convicted of a relevant or foreign offence, your Personal Licence will be granted.

If you have been convicted of a relevant or foreign offence, the Police have a right to object if they consider that granting the application would undermine the Act's crime prevention objective. In the event that the Police object to your application, you will be notified as Cotswold District Council must hold a hearing to consider the objection.

Responsibilities of a Personal Licence Holder

Holders of a personal licence have certain duties under the Act:

Change of Name or Address:

If either of these change, you must contact the [Licensing Team](#) at Cotswold District Council so that your licence can be replaced (there is a fee of (£10.50)).

This is true even if you move to an address which is outside of the Cotswold District area, as wherever

you work or live in the future the Cotswold District Council will always be the issuing authority for your personal licence.

Convictions once the Licence has been issued:

If you are charged with a relevant offence you must notify the court, no later than the first hearing, that you are a personal licence holder.

You must then notify the [Licensing Team](#) at the Cotswold District Council of any conviction occurring during the duration of your licence. If any relevant conviction comes to light after a Personal Licence has been granted, the case will be referred to a Licensing Sub-Committee. The courts also have power to suspend or revoke your personal licence if you are convicted of a relevant offence.

If you lose your personal licence

You must notify the [Licensing Team](#) at the Cotswold District Council and apply for a replacement (there is a fee of (£10.50)).

Renewal of Personal Licence

There is no requirement to renew a Personal Licence.
