Subject: Fairford Neighbourhood Plan: Consultation on the Revised Sustainability Appraisal and Site Assessment

Dear Mr Walker

Thank you for your consultation on the Revised Sustainability Appraisal and Site Assessment.

We note that these have been produced in response to the outcome of a Clarification meeting held on 10th May. While the Notes of that Meeting set out a range of actions intended to address the need for more detail and clarity in the documents in question there is no mention of the specific issues or areas of policy which the revisions have been asked to elaborate upon. The revised documents themselves also do not highlight which parts may have been amended making it difficult to appreciate where changes have taken place and as a consequence where attention should focus.

In the circumstances therefore we feel obliged to reiterate previous advice, especially in our willingness to defer to the discretion of your authority and the Examiner in attending to the matters raised.

Kind regards

David Stuart
