

COTSWOLD DISTRICT COUNCIL (OFF-STREET PARKING PLACES) ORDER 2018  
(Variation No.1) Order 2019

Statement of Reason

The Proposal

The general nature of the variation is to remove charges and restrictions that apply on Sundays relating to the Brewery Car Park Cirencester.

The Reasons

The variation will remove the inconsistency of the Brewery Car Park being the only car park in Cirencester that charges on Sundays. Cirencester car parks are very busy Monday to Saturday with a mixture of demands from workers, shoppers and residents. We would like to encourage more leisure and shopping activities on Sundays to support the local economy and balance out the parking demand.
