Premises Licence

A Premises Licence will permit licensable activities to take place on or from the premises and the Act defines premises as any place and includes a vehicle, vessel or moveable structure. The person applying for the premises licence may be the owner or operator of the business or the committee responsible for the building or premises. Briefly, an application can be made by any person who operates a business involving the use of premises for a licensable activity. If the premises are leased, the freeholder has a right to inform that they own, part own, or occupy the premises. By doing so they can register their right to know of any applications or variation notices and request other information relating to those premises. If the activities proposed to be authorised by the premises licence include the sale of alcohol the application must also provide the details of the person nominated as the Designated Premises Supervisor.

How do I make my application?

The application is made to the licensing authority for the area in which the premises are situated. The following must be provided in order that your application may be accepted for processing:

- **The completed application form**
- **Application Fee (see [Annex A](#)).**
- **[Form of consent](#) completed by the proposed Designated Premises Supervisor (only applicable if the premises licence application is to include the retail sale of alcohol)**
- **A Plan(s) of the premises (1:100 scale)**

The plan must show:

- a) The extent of the boundary of the building, if relevant, and any external and internal walls of the building and, if different, the perimeter of the premises.
- b) The location of points of access to and egress from the premises.
- c) If different from paragraph (3)(b), the location of escape routes from the premises.
- d) In a case where the premises is used for more than one existing licensable activity, the area within the premises used for each activity.
- e) in a case where an existing licensable activity relates to the supply of alcohol, the location or locations on the premises which is or are used for consumption of alcohol.
- f) Fixed structures (including furniture) or similar objects temporarily in a fixed location (but not furniture) which may impact on the ability of individuals on the premises to use exits or escape routes without impediment.
- g) In a case where the premises includes a stage or raised area, the location and height of each stage or area relative to the floor.
- h) in a case where the premises includes any steps, stairs, elevators or lifts, the location of the steps, stairs, elevators or lifts.
- i) in a case where the premises includes any room or rooms containing public conveniences, the location of the room or rooms.
- j) The location and type of any fire safety and any other safety equipment; and
- k) The location of a kitchen, if any, on the premises.

NB: The plan may include a legend through which these matters are sufficiently illustrated by the use of symbols on the plan.

Licensable Activities

The Licensing Act 2003 stipulates 4 activities which require a licence:

- the sale by retail of alcohol,
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of the club,
- the provision of regulated entertainment
- the provision of late night refreshment.

The **provision of late night refreshment** refers to the sale of hot food or drink to the public between the hours of 11pm and 5am.

The **provision of regulated entertainment** is largely defined as an activity that is provided for the purpose of entertaining an audience and which takes place on premises which are made available for the purpose of enabling the activity. An activity which takes place in private is also licensable if it is subject to a charge which is intended to raise profit. Examples of such activities are below:

- a performance of a play
- an exhibition of a film
- an indoor sporting event
- a boxing or wrestling entertainment
- a performance of live music
- playing of recorded music
- a performance of dance

Deregulatory changes

Deregulatory changes that have amended the Act mean that **no licence is required** for the following:

- **Plays**, where the performance is between 08.00 and 23.00 on any day, and the audience does not exceed 500.
- **Dance**, where the performance is between 08.00 and 23.00 on any day, and the audience does not exceed 500.
- **Films**, where it is 'not-for-profit' and the exhibition is held in a community premises between 08.00 and 23.00 on any day and the audience does not exceed 500; and the organiser (a) has consent from a person with responsibility for the premises; and (b) ensures that the screening abides by age classification ratings.
- **Indoor sporting events**, where the event is between 08.00 and 23.00 on any day, and that those present does not exceed 1000.
- **Boxing or wrestling entertainment**, held between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- **Unamplified live music**, between 08.00 and 23.00 on any day, on any premises.
- **Amplified live music**, between 08.00 and 23.00 on any day on premises which is authorised to sell alcohol to be consumed on-site.

What else do I need to know about making a New Application?

You must submit a full copy of your completed application to all "responsible authorities" (see [Annex B](#)). For your own benefit you are advised to obtain receipts to confirm the safe delivery of the application and copies.

You must also advertise the application by displaying a pale blue notice in a prominent position where it can be conveniently read from the exterior of the premises concerned. The notice must be no less than size A4, with black printing or type equal to or greater than font size 16. The notice must detail the nature of the application (see [Annex C](#)). This notice must be displayed for not less than 28 consecutive days following the

day on which the application was given to the licensing authority. Where the premises covers an area of more than 50 metres square further notices must be displayed every 50 metres along any external boundary of the premises adjacent to the highway.

You must also advertise the application in a local newspaper circulating in the vicinity of the premises. The newspaper notice must be published on at least one occasion and must appear in the paper within 10 working days from the day that the application was given to Cotswold District Council.

Both the newspaper notice and the premises notice for the application should give brief details of the application and must contain the following information:

- The name of the Premises.
- The postal address of the premises.
- The name and postal address of where the application has been made and the website or contact address where Cotswold District Council will make the details of your application available to the public.
- The date by which an interested party or responsible authority may make representations to Cotswold District Council (28 days from the day after the application date).
- That all representations shall be made in writing.
- That it is an offence under Section 158 of the Licensing Act 2003, to make a false statement in or in connection with an application. Those who do so may be liable on summary of conviction to a fine of any amount.

What happens next?

When we receive your application we will send you an acknowledgement letter that will confirm if your application is complete or whether you need to provide more information. Providing that the application is complete it is the duty of the Council to wait for a 28 day period in order to allow the responsible authorities and interested parties to make representation if required.

If there are no relevant representations from the responsible authorities or interested parties within 28 days from your application, your licence will be granted without the need for a hearing.

If a relevant representation has been received (please [see below](#)), the licensing team will decide whether it is appropriate to arrange a mediation meeting between the relevant parties to try and find a reasonable compromise. If this informal process is unsuccessful a hearing before the Licensing Sub-Committee will be arranged and all relevant parties will be notified of the date of that hearing. After a hearing has been held the decision of the Licensing Committee or Sub-Committee and the details of that decision will be circulated to the parties concerned.

Appeals

Any person aggrieved by the decision of the hearing has a right to appeal to the Magistrates Courts appropriate to the location of the premises concerned. If you disagree with any decision of the Licensing Authority we recommend that professional advice should be sought if you are uncertain about the best course of action.

What makes a representation 'relevant'?

The Licensing Act 2003 specifies 4 objectives, if a representation is received which makes reasonable argument that the granting of the licence will undermine those objectives, then this must be considered.

The Act's Objectives are:

- The prevention of crime and disorder.
- Public safety.
- The protection of children from harm.
- The prevention of public nuisance.

What is the operating schedule?

An operating schedule is an essential part of your application. It is the part of the application documentation that indicates the activities proposed to be authorised by the licence. When they will take place, the overall opening hours, when the public are permitted on the premises, and how you will promote the Act's four objectives.

You are advised to consider the needs of your future business activities when considering the operation of your premises. Particular thought should be given to the operating hours and activities undertaken by village halls and community centres as these premises often have many different users prone to changes in demand. It may be prudent for you to consider applying for activities that you may want to take place in the future. For example, you may have plans to provide a weekly film show or disco.

One of the most critical parts of the operating schedule is the section where you describe the steps you intend to take to promote the four licensing objectives. Careful consideration should be given to comments entered in this section as these comments could become the basis of conditions placed on the licence.

Annual Fees

An annual fee is payable on the anniversary of the grant date of the Premises Licence. Cotswold District Council will send the licence holder an invoice when this fee is due.

Immigration Act 2016

As from 6 April 2017, you are required to provide documentation to prove entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who: does not have the right to live and work in the UK; or is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this by providing with their application copies or scanned copies of documents which demonstrate their right to work (see [Annex D](#)) within the UK. These documents do not need to be certified.
