Fringe Farming

RHS

Big Food Share and Big Seed Sow

Soil Association

Food For Life Awards, Get Togethers, Plant & Share

Coronation Gardens for Food and Nature Wildlife Trust initiative supported by King Charles

Social Farms and Gardens

Become a member and join gatherings

Looking for Funding?

Further ideas and tips on funding are available on our Community Growing Funding Resource Sheet

Local funding sources

- Gloucestershire County Council or your District Council Council, Green and blue social prescribing, Gloucestershire Wildlife Trust, and Gloucestershire Funders among others...

National funding sources

- National Lottery, People's Postcode Lottery, Groundwork, Hubbub, NAGT, CLA, Naturesave Trust, Kew Grow Wild, National Garden Schemes and many more...

Companies and businesses nearby may have community schemes, and you could also consider **Fundraising** or **Membership** models.
