

**COTSWOLD DISTRICT COUNCIL (THE WHITEWAY CAR PARK) (OFF STREET  
PARKING PLACES) ORDER 2020**  
**(Variation No. 1) ORDER 2022**

**Statement of Reason**

Cotswold District Council proposes to make the above Variation Order under the Road Traffic Regulation Act 1984, the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996 and all other enabling powers.

It is proposed to vary the Cotswold District Council (The Whiteway Car Park) (Off Street Parking Places) Order 2020. The proposals incorporated in the draft Order and the reasons are set out below:

**1. Fee Variation Proposals**

To vary the schedule to Order to effect the following variations and changes to car park charges and charging periods:

- a) reduce the annual season ticket fee for the Whiteway car park to reflect the fact that it can only be used Monday to Friday;
- b) introduce three month and six month season tickets in line with all other season tickets

**Fee Variation Reasons**

The District Council wishes to encourage take up of permits in this car park it is proposed that the annual fee is reduced to £500 as permit holders are unable to park on Saturdays, and that permit periods for the Whiteway car park include an option for 3 months and 6 months at £125 and £250 respectively and continue provisions for valid Disabled Badge Holders.

**2. Electric Vehicle Variation Proposals**

**Proposal:** Introduce and enforce additional electrical vehicle charging bays within its car parks

**Electric Vehicle Variation Reasons**

The District Council will be installing more electric vehicle charging stations in its car parks. To ensure the newly installed parking bays equipped with Electric Vehicle Charging are kept available for electric vehicles, it is proposed to update the Parking Orders in respect of charges and to enable the enforcement team to issue Penalty Charge Notices where appropriate.
