

Extract from email received from Cutsdean Parish Council Clerk on 31 January 2025

Cutsdean Parish Council voted on Thursday 30th January 2025, unanimously, to request a Community Governance review, as there is an appetite to transition to a Parish Meeting away from Parish Council status.

Elector numbers are in the 50s, and the tax base just 33.1 for 2025/26. This is felt to be below the critical mass required to maintain a functioning council, and there is a preference to retain individual Parish identity over a merger with a neighbouring parish.
