Subject: Cirencester Neighbourhood Plan Steering Group response to the Preston Neighbourhood Plan

Dear Sirs

The Cirencester Neighbourhood Plan Steering Group has reviewed the Preston Neighbourhood Plan.

The Steering Group welcomes the Plan and:

- Particularly endorses the policy for a green barrier between Cirencester and Preston
- Strongly encourages the policies around increasing cycling in the parish and surrounding areas, and to Cirencester in particular.

Kind regards

Brian Hudson
Chair, Cirencester Neighbourhood Plan Steering Group
